

PRESS RELEASE

Vantage Nutrition LLC acquires AquaCap from Nestlé Health Science *Vantage Nutrition's innovative nutraceutical offering expands into North America.*

Vantage Nutrition, an ACG Group company, announced on 5th December 2022 that it has acquired Philadelphia-based 'AquaCap' – an asset of Nestlé Health Science.

AquaCap is a leading contract manufacturer of liquid-filled capsules within the nutritional supplement industry in the United States. Its novel liquid delivery technology allows for the liquid filling of hard gelatin and vegetarian capsules.

ACG is the world's largest integrated supplier of pharmaceutical and nutraceutical products and services. Vantage Nutrition, an ACG group company, already has an excellent reputation as an innovator of two-piece liquid-fill capsule solutions. The company's mission is to be the most efficient partner in delivering innovative and high-quality nutraceutical products to customers globally.

Karan Singh, Managing Director of ACG, said: "Although ACG has been established in North America for the last 20 years, this marks our first acquisition in the territory and is a key next step in our global expansion strategy. With this increase in our footprint and manufacturing capability, coupled with Vantage's innovative technologies and 360-degree service offering, we aim to provide the most advanced multiphase liquid-fill solutions for customers across the region."
